### Early Bird Registration & Balances

If you register by the early bird deadline, Monday, May 13th, your T-shirt will be FREE at check-in. If you register after the early bird deadline, you can purchase a T-shirt separately for \$15.

The ENTIRE BALANCE of the tuition must be paid before your camper can attend camp.

Most churches have different methods of registering their campers. Please check with your church leadership if you have any questions regarding the registration process.

Refund Policy: A camper is eligible for a tuition refund minus \$25 if registration is rescinded before seven days of their camp's opening day. No refunds will be given within seven days of their camp's opening day.

A camper's tuition can also be transferred to another camper for that same session of camp from the same church before seven days of their camp's opening day.

### What is Included with Tuition?

The cost of tuition covers essentials like meals and a safe place to stay. Other services, like our on-site pool, lifeguard, cook and other essentials are included.

T-shirts and Canteen are NOT included in tuition. If you sign up your camper before the Early-Bird Deadline (May 15th, 2023), your child will receive a t-shirt at camp for free. If they sign up after this date, they will need to purchase one for \$15. Canteen Cards can be purchased at check-in, and usually range about \$3-4 dollars per day at camp. Any leftover money from the Canteen Cards will be donated to each week's missionary.

### Check-in:

All campers must check in upon their arrival at camp with the Camp Registrar located in the upstairs of the Retreat Center.

**CHILDREN WILL NOT BE ABLE TO ATTEND CAMP IF THEIR TUITION IS NOT PAID IN FULL.**

Please be respectful of our camp staff and do not arrive earlier than the registration time for your camp session.

At check-in, each Camper will purchase a "Canteen Card." The Camper can load money onto the card to be spent at canteen. Remaining balances can be refunded or donated to the missionary. Campers frequently misplace cash, and this gives everyone peace of mind about the Camper's money. If you have further questions don't hesitate to ask at check-in.

### Check-out:

All campers will need to be picked up within one hour of the closing of their camp. No one will be dismissed before the closing time of the camp without prior approval from the Dean.

To ensure the safety of our campers, we will be checking out all campers on the last day of camp. When you check in your camper on the opening day of camp, you will be asked who has permission to pick up your camper at the end of the week of camp. We will then be able to ensure your camper is leaving with the correct party. Thank you for assisting us with this procedure to protect our campers.

### Can I Write to My Camper?

YES! Please send your camper a letter during their camp! Address it like this:
